### NO Impact on Your OEM Printer Warranty

**The Hewlett-Packard warranty states:**

"The use of non-HP toner cartridges does not affect either the warranty or any maintenance contract purchased from Hewlett-Packard. However, if an HP LaserJet printer failure or printer damage is found to be directly attributed to the use of any non-HP product, the repair will not be covered under the warranty or HP maintenance contract. In such cases, standard time and materials charges will be applied to repair the printer."
